The 14 Guṇasthānas

Stages of Spiritual Development

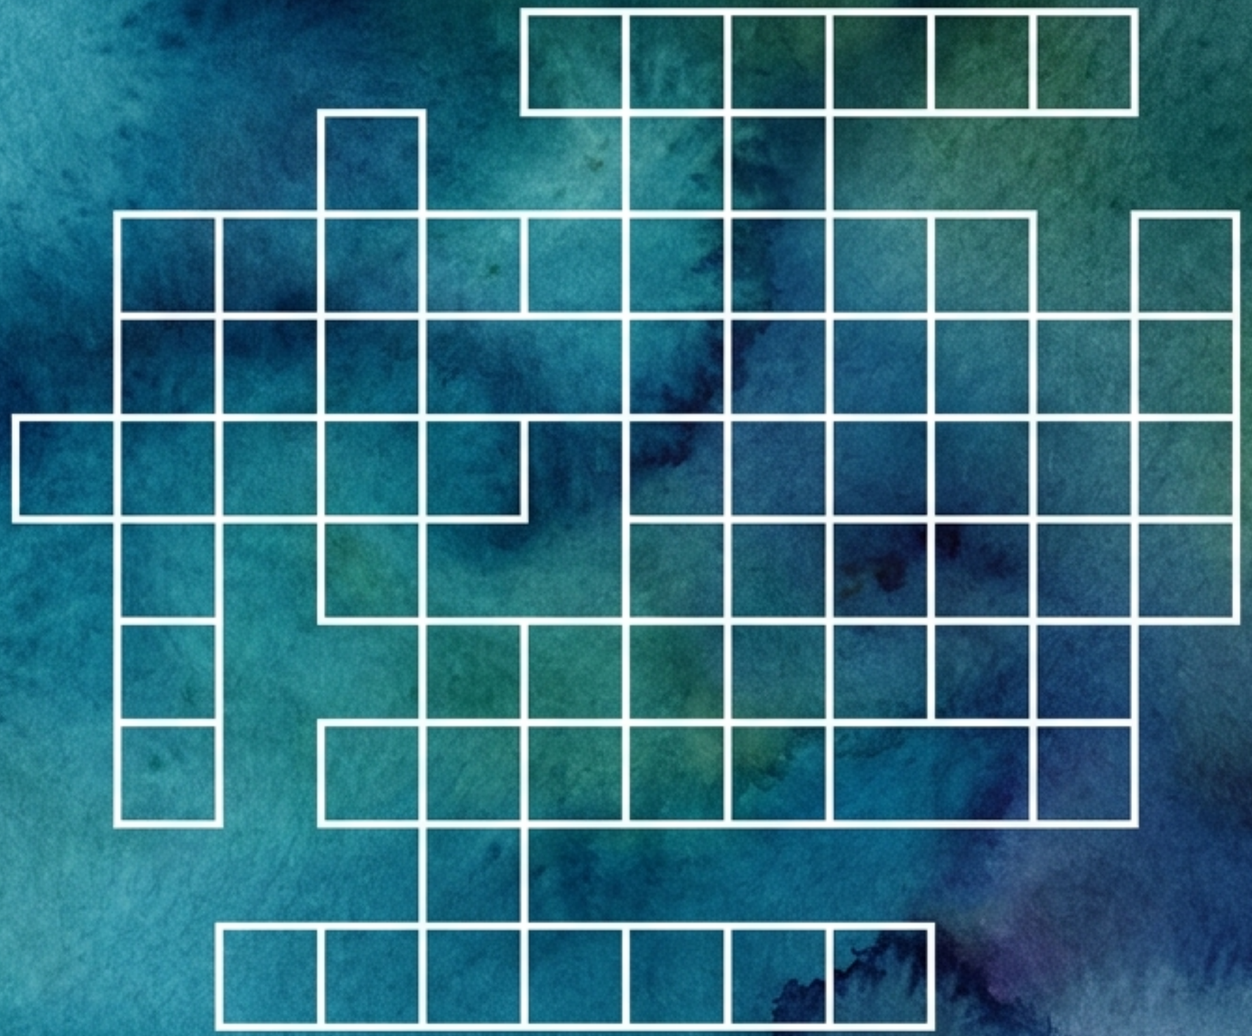
Across Clues

The first stage of absolute wrong belief.

A mixed state of right and wrong belief, like curd and treacle.

The stage of the omniscient being still possessing activity/yoga.

The peak stage of the non-active omniscient being.



Down Clues

The stage of falling from right belief (resembling the taste of vomit).

Vowless right belief.

The stage where delusion is entirely destroyed, but omniscience is not yet achieved.
